

**ARE YOU STRESSED? DO YOU FEEL RUN DOWN?
DO YOU NEED TO RELAX AND REJUVENATE? THEN READ ON!!!**

I'm a believer in **self-love, self-nurturing, self-care**, and YES, **pampering!** We all deserve that and more. So, I'm excited to tell you about **Warm Spirit**, a new self-care & wellness product line that I've embraced. Get ready to renew and rejuvenate on a whole new level!

I've been searching for natural products that would truly pamper the body and soul! I finally found what I was longing for! **These SPA QUALITY essential oil-based products are healing and nourishing, and they help to restore balance to mind, body and spirit. Not only do they smell good, they are good for you!**

Warm Spirit has been featured in *Natural Health Magazine, People Magazine, Redbook Magazine, Essence Magazine, Heart & Soul Magazine, VIBE Magazine* and more. Celebrities such as **Tyra Banks, Diane Keaton** and **Natalie Cole** have endorsed our products. Visit our website to read what they have to say. But most importantly, Warm Spirit is about **you!** Your well-being, your nurturing, and your rejuvenation!

As you can probably tell, I'm much excited about **Warm Spirit** and I want to share this "wonderful find" with you. **Warm Spirit offers over 300+ aromatherapy products that range from skin, body and hair care, holistic remedies, dietary supplements, therapeutic teas, shower gels and lotion.** I'd love to find out *your* needs and discover how Warm Spirit can support you on your health and wellness path.

Log onto my personal website: www.PamperingByC.com and take a look at the three product lines that make up the wonderful Warm Spirit Collection: ***Essentials, Pleasures & Remedies.***

Relax and renew....I invite you to host a Warm Spirit Self-Care and Wellness party in your home! You have 6-15 guests present and I'll do the rest! This way, you can share the joy of Warm Spirit products with your friends and family, and earn yourself some **FREE Warm Spirit** products as well.

Can't attend a Self-Care and Wellness Party? Place an order from my personal Warm Spirit website! That's right, you can order online and **Warm Spirit** will ship the products directly to you.

Contact me today for a **FREE pampered hands treatment and product demonstration!**
