Presented by Mellon

"Buried with him were treasures beyond imagination, giving us a glittering glimpse into the past. It has been almost 30 years since the golden artifacts of the boy king left their home in Egypt. Now Tutankhamun is back, giving another generation an opportunity to learn first-hand about the life and magic of this ancient monarch."

— Zahi Hawass

Secretary General of the Egyptian Supreme Council of Antiquities

Canopic Coffinette of Tutankhamun
