## **BEHOLD THE POSSIBILITIES AT A BIGGER AND BETTER PLACE ~ BEHOLDER MOVES FACILITY**

**Horsham, PA** (February 18, 2007) – Beholder Productions has moved! Our high-quality video production, multimedia design and post-production company has upgraded from its 1,200 square foot office in Jenkintown to a new 10,000 square foot facility in Horsham.

Beholder's move offers fantastic production growth opportunities for Beholder and its clients! We are sharing space with Samsung/ Dynatech Technology. Our Horsham office offers a full in-house studio that opens to a large warehouse... excellent for product demo shoots.

With the added space, Beholder has 2 Avid edit bays, 3 graphics/ web stations, group breakout areas, sales/ marketing offices, executive offices and a large conference room. All excellent places to discuss projects and get into a creative groove!
