Agoos/Lovera Architects (A/LA) has completed documentation for the conversion of the Philadelphia architectural icon, Two Liberty Place, into a unique residential experience in the heart of Center City, Philadelphia. There will be 122 luxury condominium units on the top eighteen floors with expansive views of the Delaware Valley, as well as an amenity floor with a fitness center, meeting rooms, and a deluxe restaurant. Construction has been completed on the exclusive ground floor residential lobby, a sales office on the 57th floor, and four Model Units, and construction is underway on the remaining condominiums.

A/LA is pleased to announce the completion of construction of Marcus Foster Student Union at Cheyney University, and renovations of the President's Office Suite at Villanova University.
