**SolomonEdwardsGroup Expands  
Business Consultants and Accountants Team**  
*Robert "Terry" Brunt Joins the Team*

**(Philadelphia – March 15, 2007)** SolomonEdwardsGroup, LLC (SEG), a leading professional services firm providing expertise in accounting and finance, is pleased to announce that **Robert "Terry" Brunt**, CISA, has joined the Business Consultants and Accountants team in the firm's Philadelphia office. Brunt has more than 30 years of experience in the information technologies and internal audit profession and will be IT audit manager at SEG.

At SEG, Brunt will focus his attention on the delivery of technology risk management services, IT audit, process improvement and IT Sarbanes-Oxley controls. Most recently, Brunt was with Verizon Communications, where he worked in several departments including Information Systems, Internal Audit, and Outside Operations. He was responsible for designing and implementing multiple financial systems, performed various application audits, system development life cycle audits, operational audits, and business process improvement projects. Brunt has also spent time as a technologies risk management consultant, where he completed work on Sarbanes-Oxley 404 Project documenting and testing business and information technologies controls. He most recently worked for Capmark Financial, Inc. managing a team of co-source auditors performing an IT infrastructure audit in Tokyo, Japan.

Brunt received a bachelor's degree in business administration from Temple University in Philadelphia, Pa. and is a Certified Information Systems Auditor (CISA). He is on the board of Directors for Trumark Financial Credit Union.

**About SolomonEdwardsGroup, LLC**

SEG uniquely combines business consulting and accounting solutions with a professional search and interim resources model. The Company offers proven solutions to complex business issues including
