Health Partners Names New Vice President of Provider Affairs

Philadelphia – Health Partners recently named William D. Hunt Vice President of Provider Affairs. Mr. Hunt brings to Health Partners over 20 years of experience in the insurance industry with extensive understanding of project management and business operations.

A seasoned professional and proven leader, Mr. Hunt has demonstrated experience in provider relations, regulatory compliance, strategic planning, claims processing, account management, and customer relations.

For the past 14 years, Mr. Hunt has led several large teams at Independence Blue Cross (IBC), most recently as the Director of Provider Operations and Reporting in the Contracting and Provider Networks Division. Prior to his service at IBC, he worked for Colonial Penn Insurance Company in the Claims Division.

In his new position at Health Partners, Mr. Hunt will have direct oversight of hospital, practitioner, allied and ancillary provider contracting; delegated contract relationships; network relationships with all providers; credentialing and provider database management; and fee schedules.

Mr. Hunt received his Bachelor of Science in Finance and Management from Philadelphia University. He has pursued continuing education at the Institute for Business Strategy Development, Kellogg School of Management at Northwestern University and has received the designation of “Professional” from the Academy of Healthcare Management.

Mr. Hunt lives with his family in Aston, PA.
