

*NPower Pennsylvania's 3rd Annual*  
**Nonprofit Technology Awards Luncheon**

**FRIDAY, SEPTEMBER 14, 2007 [ NOON-2PM : DOORS OPEN AT 11:30AM ]**

The Crystal Tea Room, John Wanamaker Building  
100 Penn Square East, 9th Floor (across from City Hall)  
Philadelphia, PA 19107 (Parking is available in the basement.)

**ABOUT THE LUNCHEON**

With over 350 community and corporate leaders in attendance, acclaimed speakers, and an important cause, NPower PA's Nonprofit Technology Awards Luncheon is a don't miss event.

Begun in 2005, the NPower PA Nonprofit Technology Awards Luncheon brings together individuals and corporations who are committed to sustaining and improving the effectiveness of nonprofit organizations in our community.

Thanks to generous support from Microsoft Corporation all proceeds from this event will help support the technology needs of nonprofit organizations in our region.

Last year the luncheon raised over \$100,000 for nonprofit technology. This year promises to do even more for the community with the goal of raising over \$200,000.

**THE PROGRAM**

The event will be an engaging one:

- ❖ **Jay and Liz Scott** (Alex's Parents) from Alex's Lemonade Stand Foundation are the keynote speakers of the event. They will be speaking about the important work they are doing to help find a cure for childhood cancers through Alex's Lemonade Stand Foundation. As NPower PA clients, they will also speak about the importance of NPower PA in our community and the role that NPower plays in helping their organization fulfill its mission.
  
- ❖ **Anne Wilms**, Executive Vice President and CIO of Rohm and Haas Company will be receiving NPower PA's Founders Award. Anne Wilms and Rohm and Haas Company have been instrumental to NPower PA's growth and success in the region. Anne is the chair of NPower PA's CIO Council. The 2007 Technology Assistance Grants are being announced.

**ATTEND THE EVENT**

As one of the region's premiere networking events, there will be ample opportunity for you to meet corporate and nonprofit sector leaders.

To purchase a ticket to this event, sponsor this event, or contribute to the Technology Assistance Grant program, please visit [www.npowerpa.org](http://www.npowerpa.org) or call 215-557-1559 x110.

Please RSVP by September 7.

### **ABOUT NPOWER PA**

NPower PA is a nonprofit dedicated to helping other nonprofits use technology to better fulfill their missions.

By helping nonprofits use technology effectively and by providing affordable, nonprofit-specific technology services NPower PA is: furthering Alex Scott's dream at Alex's Lemonade Stand Foundation by helping staff raise the money needed to find cures for childhood cancers; providing 9-16 year old girls at Girls. Inc. with the technology they need to do their homework and compete in a modern work place; helping Habitat for Humanity Philadelphia build more homes.

Through NPower PA, over 250 nonprofit organizations in the greater Philadelphia area are getting the help that they need to leverage their valuable resources and make effective use of technology in their day to day operations.

With your support NPower PA can do even more.

### **2007 LUNCHEON SUPPORTERS\***

Corporations, individuals, and foundations, by giving generously, enable NPower PA to deliver its services to our community. We would like to thank these corporations for contributing to the luncheon.
