AUGUST 2007

FOR IMMEDIATE RELEASE

NEUDESIC RANKED ON INC. MAGAZINE'S ANNUAL LIST OF AMERICA'S 500-FATEST GROWING PRIVATE COMPANIES

**Neudesic Ranks No. 197 on the 2007 Inc. 500 With Three-Year
Sales Growth of 1,077.3%**

IRVINE, CALIF. – AUGUST 23, 2007 – Neudesic, a leading Microsoft National Systems Integrator and Gold Certified Partner that provides best in class business solutions leveraging the capabilities of the Microsoft platform, announced today that it has been ranked 197 of the 500 fastest growing private companies in America.

The 2007 Inc. 500, as revealed in the September issue of *Inc.* magazine (on newsstands August 28 – October 2), reported aggregate revenue of \$16 billion and median three-year growth of 939 percent. Most important, the 2007 Inc. 500 companies were engines of job growth, having created more than 64,064 jobs since those companies were founded.

"Neudesic is honored to be a part of this group of fastest growing private companies," said Neudesic CEO Parsa Rohani. "Being ranked on the Inc. 500 list is a direct result of Neudesic's ability to provide effective, innovative solutions for our customers, attract, develop and retain extremely talented people, and continued investment in the research and development of new products. We certainly owe a debt of thanks to our employees, partners, and customers."

"If you want to find out which companies are going to change the world, look at the Inc. 500," said Inc. Editor Jane Berentson. John Koten, CEO and Editor in Chief for Inc.'s parent, Mansueto Ventures, congratulated Neudesic by stating, "Congratulations for making the Inc. 500. This is no small feat. Building one of the fastest-growing private companies in what is still the world's No. 1 entrepreneurial economy is something you and your associates can be deeply proud of."

Neudesic provides a very open and collaborative work culture that nurtures excellence, rewards success and demands thought leadership. Neudesic focuses on finding and attracting some of the best and most well known talent in the industry from across the world. Neudesic's culture not only ensures that its people stay on top of the latest innovations in technology, but encourages staff to be innovators in and of themselves. Recent Neudesic developments include Neuron-ESB, the latest in SOA technology, and ACE, a comprehensive and easy to manage solution for compliance issues such as Sarbanes-Oxley.
