

D&E Communications, Inc. Announces Promotions to
Haywire™ Computer Support Division

D&E Communications, Inc. announces recent promotions to head the newly formed *Haywire™* Computer Support Division. The *Haywire™* management team consists of: **Robin Ulrich** as Manager, **Erik Lofgren** is the Technology Consultant Supervisor, and **Brian Weit**, Marketing Specialist. **Robin** oversees the business development of *Haywire™*, customer service and corporate partnerships. She has been with D&E since 2001. **Erik** supervises the technical development of *Haywire™* to ensure we meet customer needs. He has been with D&E since 2001. **Brian** oversees the marketing and advertising of *Haywire™* to match our services with the customers' competitive technical demands. Brian has been with D&E since 2003. The *Haywire™* team will focus on the technical support needs of small businesses and offices, homes and PC users in the Central Pa area. *Haywire™* Computer Support is also available to churches and community groups.
