Join Eric Miller, winemaker at Chaddsford Winery, for a truly unique professional development seminar as he helps to untangle the mystique that surrounds the world of wine. His simple secrets about wine types and styles and the “Five S’s of Winetasting” will have you purchasing, ordering and serving wines with confidence. The program will include an extensive tasting of Chaddsford wines and an “Ask the Winemaker” segment.

Guests are invited to attend the pre and post-seminar networking receptions to mingle, ask additional questions of Chaddsford Winery representatives, and enjoy light hors d’oeuvres.
