

A "Back to School Barbeque" Sponsored by Citibank

Citi, the largest Global Financial Institution in the world, will be hosting a "Back to School Barbeque" On August 23, 2008 from 12pm to 5pm at The Citibank Financial Center located at 1 Presidential Boulevard in Bala Cynwyd Pennsylvania. This event is in support of college students about to embark upon their academic endeavors in our community. It will allow Citibank the chance to welcome the students into our diverse, multicultural community of opportunity. In addition to a succulent menu of ribs, chicken, and burgers, Citibank will have personal bankers in site to help educate the students about banking, and how to build, protect, and maintain their great credit standing. Parents are absolutely welcome to join the festivities with their students. Please join Citi in our effort to embrace the college students in our community. There will be plenty of food, fun, and music. For more information please contact Sean Fogarty at 610-747-3389.
