*A COLORADO TRADITION COMES TO TOWN*  
**BUCKHEAD SALOON IS SET TO OPEN IN PHILADELPHIA**

(Philadelphia, PA) - - **Buckhead Saloon** announced today that it's set to open on North 3<sup>rd</sup> Street in Philadelphia. The Philadelphia **Buckhead** will be the newest of the Rocky Mountain party bars to join the **Buckhead Saloon** family. There are currently **Buckhead Saloons**, and its sister party bars in Vail, CO, Charlotte, NC, Columbus, OH, Milwaukee, WI, Pittsburgh, PA, and Cincinnati, OH.

**Buckhead Saloon** is a truly unique entertainment and nightlife destination. It's not simply a typical nightclub and does not offer a typical nightclub feel or style of entertainment. While high energy, it furnishes an entertainment experience on the lighter side of the spectrum of today's entertainment offerings. It is driven by live music performed by a special cadre of **Buckhead Saloon** specific entertainers.

**Buckhead Saloon** entertainers are not your standard bar bands. They are entertainers in the fullest sense of the word. Their shows are not only focused on great music but also crowd interaction; weaving sing-a-longs, shout outs and improvised lyrics into each performance.

The backdrop for the **Buckhead Saloon** entertainment experience is the Rocky Mountain Lodge décor. Exposed timber beams, hunting trophies, comfortable seating areas and the rest of the décor lend an authentic lodge look and feel. While casual, the fit and finishes of **Buckhead Saloon** are decidedly upscale.

With full catering capabilities **Buckhead Saloon** is also the perfect facility for meetings, parties and private events of all kinds. During normal operating hours **Buckhead** will offer a small menu of bar food favorites.

"Philly is an unbelievable city and we felt that it presented a golden opportunity for us," said Sean Moore, Operating Partner of **Buckhead Saloon**. **Buckhead Saloon** will be located at 461 North 3<sup>rd</sup> Street. Mr. Moore added, "We're thrilled about becoming part of the business community. We're hoping to add to the mix and contribute as much as we can to the area. In addition to having a vital presence on North 3<sup>rd</sup> Street, we look forward to getting involved with the Northern Liberties Association and the community at large." As a matter of fact, Mr. Moore commented that he and his management team have already attended several Northern Liberties Associations meetings. There are also several parties benefiting various local charities that are being planned as part of the grand opening festivities. More information about the parties is to follow.

The Grand Opening is set for Friday, October 10th. Please check out the website for information and for free tickets to the Grand Opening Celebration. [www.BuckheadPhilly.com](http://www.BuckheadPhilly.com).
