

Promote your business to over 2,500 filmmakers each year. Sign up now and help us welcome the crew from ***Law Abiding Citizen!***

➔ ***"...moviemakers should take note of the city's Crew Pass, a discount card that could cut down on the cost of lunch or the price of a spa treatment at the end of the day!"***

--MovieMaker Magazine, Summer 2008

#### ATTENTION FILM-FRIENDLY BUSINESSES:

We at GPFO are gearing up for a busy fall production season, kicking off with the major feature film ***Law Abiding Citizen***, scheduled to begin production in October. This project is expected to stimulate nearly \$40MM in economic activity for the region through the hiring of local crew and actors; patronage of local businesses such as clothing & retail shops, restaurants & bars, and more. More titles slated to begin production will be announced in the coming weeks.

In addition to ***Law Abiding Citizen*** and other projects, we'll also welcome the organizers, filmmakers, and celebrity athletes of the **US Sports Film Festival**. From October 23-26, the city will be buzzing with visiting participants looking to explore between festival events. We want to help drive their business to your retail location!

The "Crew" Pass is a year-round regional membership discount card, exclusive to all local & visiting production crews shooting in the Philadelphia area and is valid from pre-production until the final wrap. The "Crew" Pass is a cool way to promote your brand for possible product placement and other expansive marketing opportunities.
