

**J. F. Smith & Associates**  
**Opens Management Consulting Multi-Practice Operations in Philadelphia**

FORT WASHINGTON, PA, October 1, 2008 - J.F. Smith & Associates announces the launch of its multi-discipline management consulting practice in the Greater Philadelphia Region. The firm brings together a team of nine experienced thought leaders who provide high level strategic planning advice coupled with sound functional solutions.

J. F. Smith & Associates was founded by Joel F. Smith to meet the demanding needs of recently merged and acquired firms in the region, as well as those who have recently downsized or are assessing their internal resources. For the complete press release, go to our
