FOR IMMEDIATE RELEASE

**THE AMERICAN ASSOCIATION OF HEALTHCARE ADMINISTRATIVE
MANAGEMENT AND CERTIFIED PROFESSIONAL CODERS**

We will train you for this certification within 8 weeks.

We have an unique opportunity for a few focused and committed people. This is an intense medical terminology and coding training in preparation for AAHAM Certification & Certified Professional Coders (CPC) Certification testing in the Philadelphia region.

Successfully certified individuals will move on to employment within the Patient Revenue Cycles of the Healthcare Industry. We are interested in those individuals who can verify and or demonstrate the following:

- Precious medical billing training or direct experience in the industry
- Office/Customer service experience
- High School diploma or other degree
- Good communication – written and oral
- Currently receiving unemployment compensation or feel that you are underemployed
- Professional appearance and demeanor
- Acceptable resume of work history

New Wave Resources will:

- Test for reading and math levels
- Test for employment competency
- Interview qualified candidates only
