

## Chamber of Commerce Announcement

### The Watermark at Logan Square to Host a Preventive Health Event

The Watermark at Logan Square will be hosting a preventive health event for local residents. The event is being offered by Life Line Screening and will take place at The Watermark at Logan Square on May 6, 2009. Life Line Screening is the nation's leading provider of community-based preventive screenings and scans for potential health problems related to: blocked arteries, which is a leading cause of stroke; abdominal aortic aneurysms, which can lead to a ruptured aorta; hardening of the arteries in the legs, which is a strong predictor of heart disease; and atrial fibrillation (irregular heart beat), which is closely tied to stroke risk.

All five affordable, non-invasive, painless vascular screenings take 60-90 minutes to complete. Register for a Stroke, Vascular Disease, Osteoporosis and Heart Rhythm Package for \$149. You must pre-register for the screenings. Appointments are limited, so sign up now by calling 1-888-653-6441, or visit Life Line Screening's website at [www.lifelinescreening.com](http://www.lifelinescreening.com).
