Agoos/Lovera Architects has been selected by Kenneth Scott, President of Beech Interplex, to design Temple University International Apartments at Beech Plaza, a 106-unit, 201-bed student residence facility adjacent to the Temple University Campus on Cecil B. Moore Avenue, Philadelphia.

Jorge Lovera, a founding principal of Agoos/Lovera Architects, and David Blum, cochair of the Real Estate group at Montgomery, McCracken, Walker & Rhoads, LLP, are the new cochairs of the Avenue of the Arts Board (AAI). They will lead the organization as Midge Rendell steps down after fifteen years of exemplary service to AAI. Midge has taken her place on the board as Chair Emeritus and as a member of the Executive Committee.
