

# Help the environment and the blind and vision impaired

One PC at a time!

Independence  
Industries

# Help improve the quality of life for all of us by partnering with Independence Industries to recycle your business's personal computers and other electronic equipment.

There is a growing concern about the impact used computers, computer parts, and other electronic products are having on the global environment. And, there is an ever-growing need for employment for those individuals who are blind or vision impaired.

Independence Industries collects used computers, monitors, printers and other electronic equipment. All materials collected are reused or recycled helping to keep the environment clean and create jobs for the blind and vision impaired throughout the Commonwealth of Pennsylvania. All items are sorted, graded and organized for disposition or resale, keeping toxic materials out of landfills.
