PHILADELPHIA – Stradley Ronon Business Department Chair Kevin Boyle co-chaired the 2009 Father of the Year Award Dinner. The awards – presented by the American Diabetes Association and the Greater Philadelphia Father’s Day Council – recognized exceptional fathers who have demonstrated the ability to balance their personal lives and successful careers with the demands of being exemplary role models for their children. This year’s honorees were Anthony Conti, Managing Partner, Philadelphia Office, PricewaterhouseCoopers LLP; Douglas R. Conant, President and Chief Officer, Campbell Soup Company; Donovan McNabb, Philadelphia Eagles; and Thomas E. White Jr., Director of Sales, Metro Philadelphia District UPS. Stradley Ronon partner Kevin Boyle serves as co-chair of the Greater Philadelphia Father of the Year Committee.

Founded in 1940, The American Diabetes Association fights against the deadly consequences of diabetes and for those affected by the disease. The money raised from the Father of the Year Awards supports the advocacy, research and information initiatives of the American Diabetes Association.
