

MERCADIEN TECHNOLOGIES A Mercadien Group Company

Invites you to join our free

Lunch & Learn Seminar ...Featuring

**"Ask the Experts" ...interactive workshop
providing answers to today's IT challenges**

Tired of PowerPoint seminars that "might" contain the information you were hoping for? "Take your gloves off" and join us on June 16th for a fun and engaging event that will feature an interactive Q&A format where attendees are encouraged to bring their questions (and frustrations). A panel of experts will be on-hand to talk informally with you in a relaxed setting about **SAAS (Software as a Service), Reducing IT Costs, Secure Remote Access** and **How to do More with Less Resources**. The panel will include personnel from Iron Mountain, MessageLabs, AEP Networks and Mercadien Technologies. You bring your questions and we will provide answers. **TAKE ADVANTAGE OF THIS FREE CONSULTING OPPORTUNITY!**

AGENDA

- Panel introductions
- Attendee introductions
- Risk/Rewards around SAAS (Software as a Service), Cloud Computing & Hosted Services
- Advantages of tapeless data backup (Continuous-Data-Protection)
- Developments and insights surrounding Secure Remote Access
- Group discussion...open dialogue around current challenges with your environment
- Accomplishing more with fewer resources
